

Einweihung des neuen MPI für Physik / Inauguration of the new MPI for Physics

Friday, 28 June 2024

Symposium: Future Prospects of Particle Physics (09:00 - 17:05)

time	[id] title	presenter
09:00	[10] Andreas Hoecker (CERN): Physics at the high-energy frontier: deciphering the Higgs sector	
09:40	[12] Michail Shifman (University of Minnesota)	
10:20	Coffee break	
10:45	[21] Cumrun Vafa (Harvard University): Quantum Gravity and Predictions for our Universe	
11:25	[22] Francis Halzen (University of Wisconsin)	
12:05	Lunch	
14:30	[23] David Gross (UC Santa Barbara): My Bucket List	
15:10	Coffee break	
15:40	[24] Laura Baudis (Universität Zürich): The nature of dark matter - a hundred years challenge	
16:20	[26] Bernd Sturmfels (MPI for Mathematics in the Sciences): The Quadratic Equation Revisited
