May 12 – 14, 2025

2nd Workshop on Silicon Sensors for Radiation Detection and Quantum Applications

Quantum Sensors

Hotel Schloss Berg, Seminar Room
Hotel Schloss Berg Ölschlag 9 D-82335 Berg

Wed, May 14

11:00 AM

Quantum Sensors

Session | **Location:** Hotel Schloss Berg, Seminar Room, Hotel Schloss Berg Ölschlag 9 D-82335 Berg | **Convener:** Laci Andricek

11:00 – 11:30 AM

Quantum Technologies – from the physics lab towards real world applications

Speaker

Markus Mohr

11:30 AM – 12:00 PM

TES - Technology and Applications

Speaker

Karoline Schöffner

12:00 – 12:30 PM

Magnetic microcalorimeters: Cryogenic quantum sensors for demanding applications

Speaker

Sebastian Kempf

12:30 PM
