

**Session Program**

20-31 Jul 2026

**ISAPP School 2026 "The Low Energy Frontier: Dark Matter and Neutrinos in Theory and Experiments"**

***Theory of neutrinos: flavours, masses, oscillations and leptogenesis***

## Tuesday 21 July

08:30

10:00

### Theory of neutrinos: flavours, masses, oscillations and leptogenesis

Session | Convener: F. Vissani

## Thursday 23 July

10:30

12:00

### **Theory of neutrinos: flavours, masses, oscillations and leptogenesis**

**Session** | **Convener:** F. Vissani
