

**Session Program**

20-31 Jul 2026

**ISAPP School 2026 "The Low Energy Frontier: Dark Matter and Neutrinos in Theory and Experiments"**

***Low-energy neutrino astrophysics***

## Tuesday 21 July

13:30

15:00

### Low-energy neutrino astrophysics

Session | Convener: C. Volpe

## Wednesday 22 July

10:30  
|  
12:00

### Low-energy neutrino astrophysics

Session | Convener: C. Volpe
