

**Session Program**

20-31 Jul 2026

**ISAPP School 2026 "The Low Energy Frontier: Dark Matter and Neutrinos in Theory and Experiments"**

***Coherent Elastic Neutrino Nucleus Scattering:  
Prospects and Experimental Status***

## Friday 24 July

15:30  
|  
17:00

### **Coherent Elastic Neutrino Nucleus Scattering: Prospects and Experimental Status**

**Session** | **Convener:** M. Vignati
