

Session Program

20-31 Jul 2026

ISAPP School 2026 "The Low Energy Frontier: Dark Matter and Neutrinos in Theory and Experiments"

Quantum detectors for astroparticle physics

Tuesday 28 July

10:30

12:00

Quantum detectors for astroparticle physics

Session | Convener: C. Braggio

Wednesday 29 July

08:30
|
10:00

Quantum detectors for astroparticle physics

Session | Convener: C. Braggio
