

Session Program

20-31 Jul 2026

ISAPP School 2026 "The Low Energy Frontier: Dark Matter and Neutrinos in Theory and Experiments"

Neutrino mass experiments

Thursday 23 July

15:30

17:00

Neutrino mass experiments: Neutrino mass experiments

Session | Convener: S. Mertens

Friday 24 July

10:30
|
12:00

Neutrino mass experiments

Session | Convener: S. Mertens
