# Symposium of the Sino-German GDT Cooperation

# Tuesday, 9 April 2013

**Germanium Detector Design and Pulse Shape Simulation** **(11:00 - 12:00)**

| time | [id] title | presenter |
|------|-----------|-----------|
| 11:00 | [46] What you need to design a detector: Principles of Field Calculations and Pulse Shape Simulations | LIU, Jing |
| 11:40 | [48] Field Calculation - Evaluation of Different Programs | DÖNMEZ, Burcin |
