

Top Quark Physics Day

Monday, 11 August 2014

Linear / Lepton Colliders (11:50 - 13:05)

time	[id] title	presenter
11:50	[3] Top quark mass measurement at linear colliders	Dr SIMON, Frank
12:15	[5] Top quark pair production near threshold in e^+e^- collisions	Prof. BENEKE, Martin
12:40	[7] The two-loop soft function for fully differential continuum top quark pair production at future linear colliders	Dr SCHABINGER, Robert
