

- Good news!!!
- Morphing ATLAS PUB note is circulating since Tuesday, 27th October (until 3rd of November): *A morphing technique for signal modelling in a multidimensional space of non-SM coupling parameters*
<https://cds.cern.ch/record/2018491?>
Assigned readers: Fabio Cerutti (Berkeley LBNL) and Alexander Lincoln Read (Oslo)
- Higgs approval talk given by Adam Kaluza yesterday: **We got approved!**
<https://indico.cern.ch/event/435067/>
- ATLAS PUB Note written in order to show our work at HEFT2015 (Talk given by Adam)
 - HEFT2015 - Higgs Effective Field Theories (November 4-6, Chicago)
