Dear Professor Yamauchi,

As part of the ongoing scientific collaboration between KEK and HEPHY, the Institute of High Energy Physics of the Austrian Academy of Sciences, a memorandum of understanding (MoU) was signed between KEK, the Austrian Academy of Sciences and the Austrian Federal Ministry of Science, Research and Economy (as the principal funding agency) on 4 November 2014 at KEK.

The aforementioned MoU lists deliverables in Article II, some of which are now ready to be shipped to KEK, namely (referring to the line numbers in the corresponding proforma invoice HEPHY201605, of which the item list is also shown below):

- SVD layer 5 ladders – **line 1**
- Auxiliary parts for SVD ladder assembly – **lines 2,3**
- CO2 cooling tubes – **line 4**

Line	Qty	Description	TARIC Code	Origin	Value/pc (€)	Total (€)
1	3	SVD layer 5 ladders (class A/B); S/N: L5.001, L5.002, L5.003)	8541409090	JP	25903.58	77710.74
2	38	Pitch Adapter PA1 (S/N: see next page)	85340019	JP	40.09	1523.42
