

11th European Symposium on Semiconductor Detectors

Sunday, 7 June 2009

Large Detector Systems - Main Auditorium (16:40 - 18:00)

time	[id] title	presenter
16:40	[0] ATLAS Silicon Pixel and Strip Detector: Commissioning with Cosmics Data	FIASCARIS, Maria
17:00	[1] The CMS pixel detector and challenges(prospectives) for its upgrade	BEAN, Alice
17:20	[2] The Silicon Drift Detector of the ALICE experiment	SITTA, Mario
17:40	[3] Hybrid pixel detector with epitaxial silicon sensors and readout in 130 nm CMOS technology for PANDA	CALVO, Daniela
