

# Hot Topics in Particle and Astroparticle Physics 2005

## Wednesday, 20 July 2005

### Session VIII - Main Auditorium (11:00 - 14:00)

time	[id] title	presenter
11:00	[26] Development of Avalanche Drift Diodes as Detectors in Astroparticle Physics	CHRISTINE MERCK
11:40	[25] <b>Guest Lecture</b> Common Relations Between Small x-Physics, Heavy Ion Collisions and Reaction-Diffusion Processes in Statistical Mechanics	AL MUELLER
12:30	Lunch
