

# Science and Applications of Plasma Wakefield Acceleration

## Monday, 16 May 2022

### Particle Physics Applications: Particle Physics Applications (11:00 - 12:30)

-Conveners: Edda Gschwendtner

time	[id] title	presenter
11:00	[6] Introduction	GSCHWENDTNER, Edda
11:05	[7] HEP Applications of Plasma Wakefield Accelerators	HEINEMANN, Beate
11:35	[8] Applications of Plasma-Wave Acceleration Techniques to Particle Colliders	FOSTER, Brian
12:05	[9] Discussion
